

## SHEYUM G. M. SYED

James L. Knight Building, University of Miami, Coral Gables, FL-33124  
Phone: (305) 284-7122 Email: sheyum@physics.miami.edu

### a. Professional Preparation

|                            |              |             |
|----------------------------|--------------|-------------|
| Lawrence University, WI    | Physics      | B.A., 1997  |
| Columbia University, NY    | Physics      | M.S., 1999  |
| Columbia University, NY    | Physics      | Ph.D., 2004 |
| University of Illinois, IL | Biophysics   | 2004-2006   |
| Rockefeller University, NY | Neuroscience | 2007-2012   |

### b. Appointments

|              |   |
|--------------|---|
| 2013-present | Assistant Professor of Physics, University of Miami                           |
| 2007- 2012   | Postdoctoral Associate, Rockefeller University<br>Advisor: Michael W. Young   |
| 2004-2006    | Postdoctoral Associate, University of Illinois<br>Advisor: Paul Selvin        |
| 1998-2003    | Graduate Research Assistant, Columbia University<br>Advisor: Horst L. Störmer |
| 1996         | Research Intern, Oak Ridge National Laboratory                                |

### c. Publications

- Freeman, A., **Syed, S.**, Sanyal, S. (2013) Modeling the genetic basis for human sleep disorders in Drosophila. *Communicative & Integrative Biology* 6:1, e22733. <https://www.landesbioscience.com/journals/cib/article/22733/>

#### d. Conference/Seminar Presentations

Annual Meeting of the Society of Biological Rhythms (**Contributed**, June, 2014)  
 University of Miami, Dept. of Biology (**Invited**, 2013)  
 New York University, Dept. of Physics (**Invited**, 2012)  
 Emory University, Dept. of Physics (**Invited**, 2012)  
 Georgia Institute of Technology, Dept. of Physics (**Invited**, 2012)  
 International Symp on Bio-nanosystems, Matsushima, Japan (**Invited**, September 2006)  
 Waseda University, Tokyo, Japan (**Invited**, August 2006)  
 Annual Meeting of the Biophysical Society (**Contributed**, February 2006)  
 University of Illinois, Dept. of Mech Engineering (**Invited**, November 2005)  
 Annual Meeting of the Biophysical Society (**Contributed**, February 2005)  
 Meeting of the American Physical Society (**Contributed**, March 2004)  
 Meeting of the American Physical Society (**Contributed**, March 2003)  
 Fall Meeting of the Materials Research Society (**Contributed**, December 2002)  
 Meeting of the American Physical Society (**Contributed**, March 2002)  
 Meeting of the American Physical Society (**Contributed**, March 2001)
